Sport Analyst 232 DVD Controller for Pioneer DVD-5000

Thank you for purchasing the **Sport Analyst 232** video controller. Plug the 9pin D-Sub serial connector into rear port of the DVD-V5000. Plug the power cube into any available 120 VAC power source. All power for the Sport Analyst 232 is provided by the power cube. The Baud rate on the Player should be set to 9600 bps.

Setup for the Pioneer DVD-V-5000 Deck

1. Plug the power cord into 120VAC line power and then press the Power button on the front of the deck.
2. Connect the video (Yellow) output to your monitor video input.
3. On the **front** of the deck press and **hold** the **HOME MENU** button for one second until the Advanced Setup Menu displays.
4. Use the **Up** and **Down arrow** buttons on the front of the deck to select **BAUD RATE** and then use the **LEFT**, and **RIGHT** arrows to select **9600 bps**.
5. Use the **Up**, and **Down arrow** buttons to select **Serial Input**, then use the **Left**, and **Right** arrows to select **9 pin**.
6. Press the **HOME MENU** button and you are ready to play.

The **Model:SAP-232** controller is programmed specifically for the **Pioneer DVD-V5000**. The deck is a professional player with excellent features for play back as a sports analyst as well as being built to last. The serial **RS-232** control port provides fast response and sure control. For **On Screen** frame counter press the **DISPLAY COUNTER** button. To switch it “off” **press it again**. Press **LASER** to turn on built in laser pointer.

The **REPLAY 1** and **REPLAY 2** modes are a feature to give the quickest play review. A quick description would be when pressed **REPLAY 1 or 2** you “**jump back**” then return to **Play**. **Replay 1** “**jumps back**” an approximate frame count of **225 frames** and **REPLAY 2** “**jumps back**” **350 frames**. Each then returns to normal play. This feature may be used from **SLOW**, **STILL** or **PLAY**. Each returns to **Normal Play**. You will find the **REPLAY** feature to be a consistent way to review plays without wasting your time searching back and forth to get to the play beginning.
